TUITION REIMBURSEMENT UPDATE

Tuition Reimbursement has been figured and submitted to the Treasurer's office for approval. This year, 134 TAWLS members submitted 753 semester hours of credit for reimbursement. Per our Master Agreement, reimbursement checks will be issued by October 31st.

Unfortunately, I am unable to give specific reimbursement amounts until I've received approval from central office, I hope to share that information with members soon.

Thanks, Tammy Conlan

"Teaching seems to require the sort of skills one would need to pilot a bus full of live chickens backwards, with no brakes, down a rocky road through the Andes while providing colorful and informative commentary on the scenery."
